## CORE PRINCIPLES

### **Community Focus**

All Saints Parish has community at its heart. We will provide resources to ensure that community groups can function effectively.

### **Equality and Mutuality**

Every action taken will be considerate of others involved and ensure that communication is robust to ensure a mutual benefit for all. All activities, actions, projects and work of any kind will hold equal status for everyone involved regardless of faith, colour, gender or creed

# All Saints Parish Council

## CORE PRINCIPLES

### **Collaboration**

All Saints Parish Council will endeavour to work collaboratively with all parties regarding the services, projects, activities and improvements across the whole of the Parish.

### **Ethicality and Respect**

We will respect the views of others, be they internal within the council or through our constituents, third parties, visitors and other government establishments.

# All Saints Parish Council

## CORE PRINCIPLES

### **Commitment to Quality**

We will remain committed to support our community and to deliver against our core Purpose and Objectives

### **Environmental Awareness**

Everything we do will be considerate of our climate and we will utilise sustainable resources wherever possible to protect that which is precious to us all.
