All Saints Parish Council

Core Principles

Principles will ensure:-

- Clear guidance regarding how the Council behaves
- Clear protocols for decision making
- Clear understanding in the Council's ways of workings.

Principles become the lifeblood of the council!

All Saints Parish Council

Core Principles

Community Focus

All Saints Parish has *community* at its heart. We will provide resources to ensure that community groups can function effectively.

Equality and Mutuality

Every action taken will be considerate of others. Communication will be robust to ensure a mutual benefit for all. All activities, actions, projects and work of any kind will hold equal status for everyone regardless of faith, colour, gender or creed.

All Saints Parish Council

Core Principles

Collaboration

All Saints Parish Council will endeavour to work collaboratively with all parties regarding the services, projects, activities and improvements across the whole of the Parish.

Ethicality and Respect

We will respect the views of others, be they internal within the council or through our constituents, third parties, visitors and other government establishments.

All Saints Parish Council

Core Principles

Commitment to Quality

We will remain committed to support our community and to deliver against our core Purpose and Objectives

Environmental Awareness

Everything we do will be considerate of the environment and we will utilise sustainable resources wherever possible to protect that which is precious to us all.
